

**ECSAAG DATA SUBCOMMITTEE
MEETING MINUTES
March 12, 2008
12:30 – 2:00 p.m.
EISD**

Present: Jeanne Wright, Ellen Rinck, Bill Kennedy, Anne Barna, Scott Struck, Polly Brainerd

We welcomed back Anne from maternity leave!

ECSAAG Effectiveness Survey:

We had 14 respondents. The committee reviewed the results and on the whole they looked quite positive. They agreed to request that members and friends have one more opportunity to take the survey. Polly will send an e-mail out again to the roster with a request for anyone who hasn't already taken the survey to please take it. We'd like everyone to have a chance to voice their opinion in the survey. The committee suggested that rather than review it again in our subcommittee, to have Polly present the results to the coalition at the April meeting. They recommended that the results be paired down to just the most important feedback.

Update on District Court and Mapping Data, HMIS Data and MiPHY:

Polly shared that we have yet to receive any data from any of our data sources. We have a new computer system in the county and that has delayed getting the district court data. The committee suggested that Polly e-mail Jeff Parshall with a deadline of April 30th so that Anne will have time to analyze the data and insert it into our report for the May 13th coalition meeting.

Polly also gave an update on the HMIS data and the schools so far committed to administering the MiPHY.

Cost of Substance Abuse Article:

The committee reviewed the draft of the press release and offered some helpful comments. We are aiming to have it included in the papers in April for Alcohol Awareness month. Jeanne and Ellen are going to e-mail or send Polly some quotes to include in the article.

Other:

Sara had asked the data committee to approve putting the county PNA report on the website. The committee discussed it and approved placing the report on the website. Polly will e-mail it to Gary Vittoz.

April Meeting Date:

Polly will e-mail the group some possible meeting dates in April.

Next meeting is Monday, April 14, 2008 at 1:00 p.m. at EISD.
