

ECSAAG Methamphetamine Sub-committee
Meeting Notes for May 9, 2006
11:45 a.m. – 12:00 p.m.
EISD

Present: Ruth Cornett, Kim Walton, Polly Brainerd

Polly reported on the status of the MethWatch Mini-grants. We have both the proposals for the billboard and paid ad in the community newspapers submitted to ODCP for authorization of funding. We are aiming for July to run the ad campaign and accompanying articles.

We are still eligible for receiving \$1500.00 from MethWatch from the training grant funds. ODCP has relaxed their criteria for how the money is spent. Polly shared with the group laminated First Responder cards that Calhoun provided to all of their emergency service providers. We are permitted to reproduce them with Eaton County Resources on them. The group agreed unanimously to put in a proposal to duplicate the cards for Eaton County with those funds. Ruth suggested we get them to DHS workers as well. Vic Hilbert had already given his endorsement of this plan. He had to leave the meeting early. Polly will write the grant and submit it in the next two weeks.

We discussed the progress on updating the GIS map. We have almost all of the data we need. Polly will work with Eric Daley at Information Systems to update the map.

The meeting was adjourned. The next meeting will be on June 6, 2006 from 11:15 - Noon . See you then.
